

Dedication Ceremony of
32-SLICE CT SCANNER
and
DIALYSIS UNIT (10 Beds)

On Saturday, 23 April 2016 at 04.00 pm

**RAMAKRISHNA MISSION SEVASHRAMA
CHARITABLE HOSPITAL**
Vrindavan

Dear Friend,

Ramakrishna Mission Sevashrama Charitable Hospital, dedicated for the welfare of society with the motto of 'Serving Man is Serving God', has been relentlessly rendering its medical services for the past 108 years in the Holy Vrindavan. Started as a small dispensary, now the hospital has grown manifold to take shape of a 165-bed multi-specialty general hospital with its ultra-modern diagnostic facilities and is serving more than four lakhs of patients every year. It is a matter of pride and content to announce the dedication of a new 32-Slice Siemens CT Scanner which is the first of its kind in this entire region. It is also a moment of contentment to dedicate the new 10-bed Dialysis Unit on this occasion. Indeed, the addition of these latest equipment will definitely add to the higher standards that the hospital maintains while serving many more patients who are otherwise deprived of these facilities due to financial constraints.

We extend our hearty invitation to you all for the dedication ceremony of the newly installed **32-Slice Siemens CT Scanner** and the new **10-Bed Dialysis Unit** on **Saturday, 23rd April 2016 at 4.00 pm** amidst various dignitaries.

Yours In Service of the Lord,
Swami Suprakshananda
Secretary

"After so much austerity, I have understood this as the real truth—God is present in every jiva; there is no other God besides that. "Who serves jiva, serves God indeed.... Feel, my children, feel, feel for the poor, the ignorant, the down-trodden; fee till the heart stops and the brain reels and you think you will go mad - then pour the soul out at the feet of the Lord, and then will come power, help, and indomitable energy." — Swami Vivekananda
